RECORD REVIEW RESULTS

A search of the Division of Criminal Justice Services' (DCJS) files, using the fingerprint impressions submitted with your record review request, has resulted in an identification to a New York State case/criminal history report under NYSID number 4016446L. A copy of the full report is enclosed. This report includes all non-criminal and/or criminal history information maintained on file by DCJS that pertains to you.

A second search of sealed records, based solely on the personal descriptive data you provided, has also been performed. If that search resulted in a possible identification, the resulting sealed criminal history information has been appended to the fingerprint-based search result. Note that the sealed information, if included, is provided to you in accordance with subsection 2 of Criminal Procedure Law 160.50 and is only based on a search of the personal descriptive information you provided. This sealed information is not to be regarded as a positive identification because it is not the result of a fingerprint search. DCJS disseminates sealed information only where authorized by law to do so.

The fingerprint card submitted with your request is enclosed. If you wish to challenge the accuracy or completeness of any information contained in your New York State case/criminal history report, please refer to the enclosed Help Us Help You document and complete the enclosed Statement of Challenge form. If you choose to challenge, please return the challenge form, the enclosed fingerprint card, and any supporting documentation to the attention of the Record Review and Challenge Unit at the above address. Please note that DCJS cannot modify any data without written authorization from the reporting agency.

If your report is modified as a result of a successful challenge, a new copy of your New York State case/criminal history report will be mailed to you. If you have any questions, please write the Record Review and Challenge Unit at the above address, or telephone (518) 485-7675.
